

Accommodation (including breakfast): you have to book the room directly at the hotel (www.sandra.karpacz.pl) at a conference rate. The deadline for the hotel reservation is July 31st, 2015. After that we will not be able to provide you with the special, conference rates.

How to get there?

Wrocław is the capital city of the Lower Silesia region and has an airport with direct flights to Frankfurt, Munich, Copenhagen, London, Warsaw as well as to several other cities. Conference bus will be provided on 6th and on 10th Sep to get the participants from Wrocław to Karpacz.

Registration

All participants are requested to pre-register before submitting their abstracts and transferring the conference fee. The registration will be held via electronic system on sstp15.pwr.edu.pl website.

Scope of the conference

The Organizing Committee of "Separation Science – Theory and Practice" would like to invite you to 3rd International Conference on Methods and Materials for Separation Processes. The main objective of the conference is to present and discuss the latest trends and achievements in methods and materials used in separation, isolation and purification processes used in chemistry, industry and in protection of environment.

Phases equilibria, solvent extraction, membrane processes, flotation, chromatography, ion-exchange and materials for the above processes are the examples of topics of our primary interest.

Lectures

Prof. David Dreisinger (University of British Columbia, Canada)

Prof. Alexandre Changes (Chimie ParisTech – Institut de Recherche de Chimie Paris, France)

Prof. Sergey A. Piletsky (University of Leicester, UK)

Prof. B. Gawdzik (UMCS Lublin, Poland)

Prof. Maciej Wiśniewski (Poznań University of Technology, Poland)

Presentations

The program will include main lectures (35 min + 5 min discussion), short lectures (15 min + 5 min discussion) and poster sessions. The official language of the conference is English. The full text of the selected presentations will be published in Separation Science and Technology. Deadline for the abstract submission is 31st May 2015 (no more than two abstracts per person).

Conference location

The 3rd International Conference will take place in Karpacz in Lower Silesia region, which is located in the southwest part of Poland and is well known as a touristic attraction in the hills and peaks of Sudety

Mountains. The Conference will take place in Hotel Sandra SPA (www.sandra.karpacz.pl).
