

Graduate Student Symposium on Molecular Imprinting 2019

August 28-30, Bundesanstalt für Materialforschung und -prüfung (BAM), Berlin, Germany

Call for Papers

Following seven very successful meetings, the 8th Graduate Student Symposium on Molecular Imprinting will take place at the Bundesanstalt für Materialforschung und -prüfung (BAM), in Berlin, Germany, on August 28th -30th, 2019.

The aim of the meeting is to give young researchers active in the field of Molecular Imprinting the opportunity to present their work, network with other researchers and be informed of the latest developments in the area.

The organising committee invites all interested graduate students to submit their abstracts for consideration by email at gssmip@gmail.com. All abstracts will be considered for an oral presentation. Poster sessions will also take place at the meeting. The deadline for abstract submission is the 30th June 2019.

Registration for the meeting will be free and will include a welcome reception, conference pack and coffee/tea during the meeting!

For more information on the Symposium, abstract submission and latest news please visit <https://sites.google.com/view/gssmip2019/> or follow us on Twitter [@GSSMIP](https://twitter.com/GSSMIP).
